Mr. Don Pawlowski  
President  
APWA Nevada Chapter

Dear Don,

On behalf of the APWA Board of Directors, I congratulate you and your chapter's efforts during the past year. The Nevada Chapter showed a net increase of 39 members (7.08%) and was one of **35 chapters** that achieved an increase for this past fiscal year. Nevada's increase was the third most of any chapter. Congratulations.

Your chapter has contributed to the growth of the overall membership of APWA. We continue to reach membership totals of more than **30,000 members each month**, thanks to you.

As you know, APWA is committed to serving and engaging all members in a meaningful way. Whether it is serving as the voice of public works or showing the value of public works through advocacy or providing the best education and professional development, we are here to serve the chapters and members. We are committed to excellence. Together we can continue to build APWA and its chapters in an effort to improve the quality of life for all. We also would love your feedback with respect to how we can best assist your chapter in providing value to those in your chapter.

Please feel free to contact me with any questions you may have or contact Brad Patterson, Membership Manager for APWA at [bpatteson@apwa.net](mailto:bpatteson@apwa.net).

Sincerely,
